Subject: RE: G7 Environment Conference Call (3rd Call) - and schedule

Hi Mark,

When I replied, since Lee doesn't get Rome ESTH-DL mail, I took out that distribution list and added [Ex. 6 - Personal Privacy]
I also added [Ex. 7(c)] who is newly arrived at post and will be the RSO lead.

Also, Fede will be supporting our NASA rep and be busy with SpaceApps this week, so the call probably would be better next week. I look forward to seeing which schedule wins!

Additionally, no one has been named as the Vatican Ambassador, so it is best to list Charge' [Ex. 6 - Personal Privacy]
Since he doesn't live in the residence, and instead has an apartment (albeit a big one, with his wife and four kids!), he may want to meet in his grand Vatican office instead.

Also, [Ex. 6 - Personal Privacy] is the Vatican control, so I don't think that it is necessary to keep including [Ex. 6 - Personal Privacy]
[Ex. 6 - Personal Privacy] (They have a super-small American staff...six I think...so they probably appreciate less email.)

Cheers,

Sounds good [Ex. 6 - Personal Privacy] Let's cancel Monday call. I can send any updates following Wednesday meeting via email. If desirable, we can have a call with [Ex. 6 - Personal Privacy] on Thursday/Friday or wait until you are available the following week.

I will be meeting with the Administrator on Wednesday so we should have his feedback from the optional itineraries we worked out while I was in Rome this week to share with the team. I am not sure that there will be much new to share with the Team on Monday since we met in Rome.
